FXR90 FIXED READER

SMART SHELF-TAGS

Sepioo's digital display shelf tags combine robust, energy-efficient performance with ergonomic two-way interaction, ideal for streamlining tasks like picking and reordering. They are built for industrial environments with protective glass, multi-color LEDs and seamless integration, backed by over a decade of e-Paper innovation.

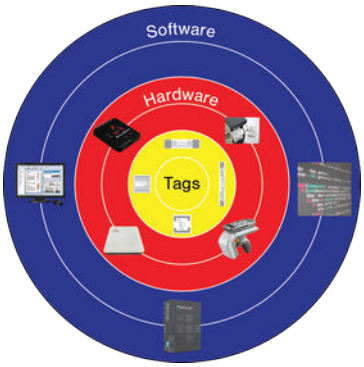

05 PASSIVE RFID

EMP RFID PORTAL
ANTENNAS
MOBILE POWER

Passive RFID continues to be a growing portion of our business at EMP Tech Group. Our sales and technical services staff have years of experience with this technology, and we continue to broaden our portfolio of product offerings and our expertise in selling and integrating these specialized solutions.
